Instructions

How to Play:

- Complete a challenge in any square.
- Once you have completed five in a row across, up & down, or diagonal, you have achieved Bingo! (Remember to show us your completed bingo rows!)

How to Win:

- After achieving Bingo, return to the library for your choice of a prize.
- You may get Bingo up to three times for a total of three prizes won.
- If you complete the entire board, you can win a final prize! (and let's be honest, the bragging rights that come with it.)

Don't forget to pop in to the library and share which challenges you enjoyed the most!
